

I am actually very hopeful that our endeavor to know more about Turkish manufacturers, through you and do good business would be beneficial for both of our countries.

For the time being, we have enquiry for the following products/items; All products that are used by **Fire Service Department e.g. Fire truck, Fire pumps, Breathing apparatus, Fire suits , hydraulic cutter etc. And Bangladesh Navy, e.g. ship, speed boat, all hydrographic equipment.**

Regards,

Zakir Uddin Ahmed
