## REQUEST FOR EXPRESSION OF INTEREST NO. AE/016/2019-20/HQ/C/05.

**Feasibility Study, Preliminary Engineering Design, Detailed Engineering Design and Preparation of Tender Documents For Development of New Coastal, Cruise Ship and Container Terminals (Berths 12-16) at Dar Es Salaam Port.**

### INTERNATIONAL COMPETITIVE SELECTION

Tanzania Ports Authority (TPA) intends to procure a Consultant to provide the aforementioned consultancy services for development of the new port infrastructure with the goal of increasing the capacity of the Dar es Salaam port to handle commercial cargo and promote trade and industry in the country.

The objective of the consultancy services is to conduct a feasibility study, preliminary engineering design, detailed engineering design and preparation of tender documents for development of the new coastal marine vessels terminal, cruise ships terminal and a container terminal at Dar es Salaam port. To achieve this, the consultant shall provide a detailed assessment of technical, economic, financial, commercial, legal, social and environmental viability for developing the three (3) proposed terminals. The assignment is divided into two phases, namely, phase one (1) - Feasibility Study and Preliminary Design and phase two (2) - Detailed Engineering Design and Preparation of Tender Documents, subject to approval by TPA of the most optimal option. At the end of Phase one, there will be a "break point" and a period during which TPA and other stakeholders will review the results and recommendations from Phase one. A decision will then be taken whether to proceed with Phase two or not and only upon approval by TPA the consultant shall proceed with Phase two.

TPA now invites expressions of interest (EOI) from eligible and qualified Consulting firms (Consultants) to indicate their interest in providing the services. Interested consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the services. The shortlisting criteria are:

- (a) The firm's general experience in the last 10 years.
- (b) The firm's experience in undertaking similar assignments related to ports or marine structures.
