ANNOUNCEMENT
INDONESIAN SAFEGUARDS COMMITTEE
NUMBER: 04/KPPI/PENG/08/2023

ABOUT

COMMENCEMENT OF INVESTIGATION INTO THE EXTENSION OF TRADE SAFEGUARD
MEASURES
AGAINST THE IMPORT OF GOODS
"CARPETS AND OTHER FLOOR COVERING TEXTILES"

It is hereby informed that the Indonesian Safeguards Committee (KPPI) conducted an investigation into the extension of the Trade Security Measures against the import of Carpets and Other Floor Covering Textiles. The investigation was carried out at the official request of the Indonesian Textile Association (API) representing PT. Universal Carpet And Rugs, PT. Classic Prima Carpet Industries, and PT. Anugrah Esa Mulia submitted to KPPI on August 15, 2023, API asked KPPI to investigate the extension of Trade Security Measures (*Safeguard Measures*) against imports of Carpets and Other Floor Covering Textiles included in the Chapter 57 tariff post with 64 (sixty-four) *Harmonized System* numbers (HS) 8 digits, according to the Indonesian Customs Tariff Book (BTKI) Year 2022. The reason why the Applicant requested an extension investigation is because the Applicant is still experiencing Serious Losses or Threats of Serious Losses and still requires additional time to optimally complete the structural adjustment program as previously promised.

After conducting research on the application, KPPI obtained preliminary evidence indicating that there was still a Serious Loss or Threat of Serious Loss and the realization of structural adjustments had not been optimal. Therefore, the Applicant still needs additional time to complete the structural adjustment program.

In connection with this and based on the Government Regulation of the Republic of Indonesia Number 34 of 2011 concerning Antidumping Measures, Reward Measures, and Trade Security Measures, KPPI stipulates the initiation of an investigation into the extension of Trade Security Measures (*Safeguard Measures*) on the import of Carpets and Other Floor Covering Textiles from the date of this Announcement.

In this regard, KPPI invites all interested parties to register no later than 15 (fifteen) days from the date of commencement (initiation) of the extension investigation or September 1, 2023 and submit in writing to:
